INFO

GOING EXPORT PROGRAMME

The objective of Going Export Programme is to develop SMEs to be more competitive in the international arena, providing access to international networks and increase exports as well as expand new business opportunities with existing and new markets.

The programme will provide customized advisory and marketing assistance by appointed market advisors and market linkers to SMEs to significantly improve their export performance. Among the benefits are direct advice from the practitioner experts (company may choose and appoint practitioner expert), minimise cost and time, equipped with knowledge on the targeted market.

For more info, click [HERE](#).
