INFO

Ez ADU KPDNKK

Ez ADU is a mobile application that has been developed under the initiative of Malaysian Ministry of Domestic Trade, Co-operatives and Consumerism (KPDNKK) to empower and to allow consumers to lodge and to manage their complaints directly to the ministry for proper action to be taken. EzADU apps is also aimed to ensure fair domestic trade in Malaysia and to protect the rights of consumers.

Consumers can lodge complaints using 4 simple steps. The first two steps are mandatory which is to fill in the complaint details and the report. Additionally, consumers can send photos to assist KPDNKK with the investigation. Lastly, users can check the status of their complaints and read the full reports of the investigation.
