MALAYSIA TECH ENTREPRENEUR PROGRAMME

Malaysia Tech Entrepreneur Programme (MTEP) is an initiative by Malaysia Digital Economy Corporation (MDEC) and Government of Malaysia to attract tech talents and aspiring entrepreneurs from around the globe to Malaysia to setup their startup and expand their business to the ASEAN region. Malaysia is the center of connecting businesses to a regional market of more than 625 million people, and growing. Entrepreneurs can now be based in Malaysia by applying for MTEP, which takes as fast as 6 weeks to issue a pass from the date of application. Entrepreneurs may continue to leverage on MTEP to bring in more talents into the country to grow and expand their business quickly. For more info, kindly click [HERE](#).
