INFO

eRezeki

The eRezeki program enables citizens to generate additional income by doing digital assignments via online crowdsourcing platform. The eRezeki participants will be matched with digital work such as Digital Micro Task, Digital Works and Digital-Enabled Task which will be in line with the applicants' skills. The eRezeki program is eligible for Malaysian citizens with household income of below RM 4,00 per month, that include students, housewives, retirees and senior citizens. For more info, click [HERE](#).
